

MIDWAY CLASS REUNION, A.K.A “THREE SISTERS’ REUNION THREE MIGHTY CARRIERS - ONE VERY SPECIAL REUNION!

Message To All Midway Class Veterans and Their Guests:

Listen up, Shipmates, for this is a very important announcement: The 2019 Midway Class Reunion (MCR), a.k.a. "Three Sisters" Reunion, will be held **May 6-10, 2019, in San Diego, CA.** The Wyndham San Diego Bayside will be the reunion hotel. A Four-Star property, the Wyndham is close by the USS Midway Museum and downtown entertainment, shopping and restaurants. The negotiated room rate of \$153/night (+ tax) is more than competitive with other hotels in San Diego’s downtown area. (Upgraded rooms are available if you're willing to pay a higher daily rate.) Our reunion team is working closely with the reunion planning company, Armed Forces Reunions, Inc. (AFRI), to develop a registration form with prices, events, times and dates **SO THAT WE CAN ALL START SIGNING UP!** Spread the news to your fellow carrier mates who served on the **USS Midway (CV-41)**, the **USS Franklin D. Roosevelt (CV-42)** or the **USS Coral Sea (CV-43)**.

You don't have to be a member of the reunion associations of these three carriers to attend the reunion – but you do need to have served on one or more of these three great ships during your time in the Navy. Family members and guests are welcome to attend. Reunion events lined up so far are the Welcome Reception at the hotel (May 7), the “Meet and Greet” on the ship (May 8), and the Grand Banquet on the flight deck (May 9). The day before the reunion, May 6, will be check-in and registration. The day after, May 10, will be check-out. The centerpiece of this reunion will be the USS Midway Museum. (She is the last surviving “Sister.”)

So, Midway Class Carrier Veterans, save the date in your 2019 calendars, and start spreading the news far and wide, for this reunion is going to be upon us before we know it. Our goal is to cover the flight deck with veterans of these three mighty aircraft carriers of the 20th century. This truly will be an “event of the ages” and one that you will cherish for as long as you shall live. **SO DON'T MISS IT!**

Much more information to follow on this special 3-carrier reunion as it become available.

F/A-18A Hornet is prepared for launch from the flight deck of the USS Coral Sea CV-43, circa 1986
